Dear Mr. Brokke:

On October 25, 1995, the Board of Oil, Gas and Mining formally approved the form and amount (\$330,400) of replacement reclamation surety for Continental Lime, Inc.'s Cricket Mountain Quarry. The reclamation surety is in the form of a surety bond (#SL 111 1905 8169) issued by American Automobile Insurance Company, a subsidiary of Fireman's Fund Insurance Company. The Division hereby grants its final approval of the replacement reclamation surety.

Enclosed please find copies of the fully signed and executed Reclamation Contract with the effective date of October 25, 1995, and surety bond with accompanying rider, for your files. Also enclosed is the old original Reclamation Contract dated October 28, 1993, with the accompanying original surety bond #80 S 100809717 issued by Aetna Casualty and Surety Company.

Thank you for your time, cooperation and patience in helping finalize this permitting action. Please call me if you have any questions in this regard.

Sincerely,

Anthony A. Gallegos
